MAP OF JAPAN

HOKKAIDO World-Class Powder Snow, Sea Urchin

The prefecture is a popular destination for skiing and snowboarding thanks to its abundant powder snow. Uni (sea urchin) from here is rich and deep with an elegant sweetness that cannot be matched.

YAMAGATA Samurai Land, Wagyu

Known as the "Ginjo Kingdom", Yamagata produces a high ratio of ginjo-shu that is famous for its high quality. Sake brewing has flourished for a long time, and some breweries have been in business for over 400 years.

NIIGATA Hot Springs, High Quality Rice

Japan's leading producer of rice, the pinnacle of which is the coveted strain of "koshihikari", and is also a prominent hub for sake and seafood. This prefecture's light, crisp, and dry sakes are known as a "Tanrei Karakuchi" taste profile.

ISHIKAWA Big Fish Market, Onsen

Many of the reputed breweries in this prefecture are putting special emphasis on the yamahai-zukuri method. The profound acidity of the yamahai with the deep umami makes a full-bodied sake that is highly rated by sake lovers.

FUKUI Echizen Kani, Great Water

Its crystal waters are acclaimed as some of the best water in Japan. This prefecture has the perfect environment, alongside the intense cold and deep snow in the winter.

HIROSHIMA Oysters, Lemons

The birthplace of ginjo brewing. Hiroshima is also known as home to the largest oyster beds in Japan, as well as beautiful lemon trees.

TOKYO 🇯🇵

KANAGAWA Surf Town, Shirasu, Big Buddha

This prefecture is known for its beautiful coastline and surfer culture. It is also the birthplace of the famous Japanese woodblock art "The Great Wave."

KYOTO Birthplace of Sake, Fushimi Water

Kyoto is known for being the birthplace of sake and ranks No. 2 in sake production. These sakes are characterized by their soft, smooth taste made from soft to medium hard water.

KAGAWA Sanuki Udon, Iriko Fish, Smallest Prefecture

This is Japan's smallest prefecture with very few breweries. The food culture features the richness of the sea and of the Sanuki mountains, which provide quantities of pure water ideal for sake making.

YAMAGUCHI Limestone Caves, Onsen, Hagi Pottery

This prefecture is renowned for its stunning scenery, hidden shrines, and the largest limestone cave in Japan. The abundant sea with the local cuisine of the mountains resonate with each other, inviting people to relax and return to nature.

OSAKA Nightlife, Street Food

What differentiates Osaka from other prefectures in Japan is the more laid-back, relaxed city vibe, with a focus on food and entertainment. Often called the "nation's kitchen," it is known as the food capital of Japan.

SAKE BY THE GLASS & CARAFE

Kire Sake Crisp & Refreshing

Glass Carafe

Bushido “Way of the Warrior”

11 33

Ginjo Genshu, Kyoto Prefecture

Bushido is a premium, ginjo genshu sake from Kyoto, Japan. It's smooth, crisp, and packs a punch with notes of tart raspberry and watermelon rind. Perfect for on the go, or really just any time.

Taka “Noble Arrow”

16 48

Junmai, Yamaguchi Prefecture

The limestone covered mountains nearby give this sake a rich mineral driven structure packed with tension and pronounced acidity. A timeless style of sake that old-world wine drinkers easily gravitate to. Creamy, luxurious mid palate with a spearmint-driven herbal finish.

Tensei “Infinite Summer”

15 45

Tokubetsu Honjozo, Kanagawa Prefecture

Tensei is inspired by Kanagawa's beautiful coastline and surfer culture. Enjoy the feel of a perfect endless summer with this bright, refreshing taste of Kanagawa. Bright and fresh sake with a salted melon finish.

Fukucho “Forgotten Fortune”

16 48

Junmai, Hiroshima Prefecture

There are around 30 female tojis in Japan, but when Miho-san started brewing there were far fewer. Her extreme dedication to her craft encourages the future of women in this industry. Miho-san revived Hattanso rice, an extinct heirloom breed, by devoting over 10 years of her life to learning how to grow it and brew with it. Full flavor, earthy touches, and great texture with a long, persistent finish.

Tozai “Well of Wisdom”

14 42

Ginjo, Kyoto Prefecture

Be transported to Japan just by looking at Tozai—the labels feature hand-painted koi fish, traditional Japanese kanji, and origami paper patterns. Well of Wisdom draws its water source from the town of Fushimi, which means “hidden water” and is known for its characteristically soft and pure water. Soft and silky with a touch of white pepper on the finish.

Kawatsuru “Crane of Paradise”

16 48

Junmai, Kagawa Prefecture

Known for its rice-driven style with elegant, rich texture, Kawatsuru pays respect to the crane that symbolizes longevity and good fortune. Crane of Paradise is described as “umakuchi,” a combination between sweet, dry and umami flavors. Juicy notes of grapefruit and freshly cut grass, with a hint of salted pineapple.

Wakatake Onikoroshi “Demon Slayer”

19 62

Junmai Daiginjo, Shizuoka Prefecture

A semi-fruity brew with a unique dryness that speaks to wine drinkers. This clear Junmai Daiginjo has a delicate aroma of ripe fruits, velvety texture, and finishes on a sharp, crisp note.

Aji Sake Rich & Savory

Yuho “Eternal Embers”

12 36

Junmai, Ishikawa Prefecture

President Miho Fujita, a single career woman from Tokyo with no prior knowledge of sake, and Toji Yokomichi-san, do not follow traditional brewing methods—they brew the sake they enjoy drinking. Yuho means “happy rice” and also refers to the city’s supposed numerous UFO sightings. Bread pudding aromatics of raisin, nut and fig.

Mana 1751 “True Vision”

18 54

Yamahai Tokubetsu Junmai, Fukui Prefecture

This sake embraces a truly purist philosophy; undiluted, unfiltered, unblended, pure rice sake made in the risky and labor intensive ancient yamahai method. This is a true microbrewery; with three total employees making 200 koku annually. An aromatic and expressive yamahai with notes of tart yogurt, mushroom, honey, banana and steamed rice. Try this one warm for more umami flavors.

Luxury

Glass Carafe

Ginga Shizuku “Divine Droplets”

29 89

Junmai Daiginjo, Yamagata Prefecture

The purity of the region of Yamagata shines in this sake, with the crispness of their pristine water, the grassy, spicy quality of dewasansan rice, and the opulent textures derived from shizuku free run finishing. Current president Kenichiro Kojima is the 24th generation of the legendary Kojima family. Refreshing and pure with notes of pineapple, white peach, green apple, lily, and a hint of white pepper.

Nigori Unfiltered

Glass Carafe

Daimon “Road to Osaka”

12 36

Nigori, Osaka Prefecture

This cloudy “nigori” sake will transport you to Osaka and the Daimon brewery where they have been crafting fresh, lively sake for six generations. Brewery president and toji, Yasutaka Daimon, is a 6th generation brewer who is also a jazz musician. Daimon-san often listens to jazz while making sake, believing that both jazz and sake go together hand in hand. A creamy & mild nigori with notes of banana, citrus and floral.

FEATURED WINES

Trothe Winery

Trothe is our featured winery. The wine is almost completely exclusive to us here at Roka Akor, and we are proud to pour these beautiful wines.

"Trothe winery in Horse Heaven Hills of Washington state is the embodiment of what American Cabernet Sauvignon should be. The Cabernet Sauvignon is powerful but extremely balanced. The wine has the structure of great Bordeaux but the great fruit we come to expect from American Cabernet Sauvignon. The 2022 Sauvignon Blanc is one of the best American Sauvignon Blancs I have had and drinks a bit more European in style."

– Steven Tindle, Wine Director, Roka Akor.

Classically elegant, vibrant, and built to last, Trothe Cabernet Sauvignon embodies the spirit of Horse Heaven Hills and exemplifies the highly acclaimed wines coming from the region. Trothe winery wholeheartedly believes in the dazzling potential of this land, and they aim to create its purest expression of place.

The Cabernet Sauvignon fruit is hand-selected from blocks, rows, and individual vines that highlight the terroir and each vintage's distinctive character. With this micro-cru approach, Trothe winery celebrates Horse Heaven Hills and its ability to reap extraordinary fruit that translates into exceptional Cabernet Sauvignon.

The word Trothe is a pledge of faithfulness to be loyal especially in a marriage or relationship. The relationship between the Andrews Family and this special plot of land is evident in the quality in these wines.

2022 Trothe Sauvignon Blanc

\$150

Spring 2022 began with extraordinarily cool temperatures and a late spring frost in the vineyard. The site's wide canyons funneled cold areas away from the vines, protecting the 2022 vintage. Sauvignon Blanc likes shade, so Trothe grew a large canopy in anticipation of another hot year. Though Mother Nature didn't kick the heat on until August, their preparations kept the fruit cool when it was needed most. Timely work protected delicate floral notes within the fruit while an extended fall ripening period allowed for development of expressive tropical notes.

Robert Parker - 96 points, highest rated white score ever out of Washington. 44 cases made.

2019 Trothe Cabernet Sauvignon

\$395

The 2021 Cabernet Sauvignon already offers power, focus and purity with an oak-driven freshness, divine spiciness and a rocky graphite essence in the glass. Medium to full-bodied, the wine features flavors of juicy dark cherry, black plum and spiced blackberries along with succulent tannins over the mid-palate. The wine reveals layers of complexity that somersault through the long-lingering finish. It's already showing fantastically and is proof that the team at Trothe has pointed at the centerfield fence and is eager and ready to swing away! Keep these guys on your radar!

The Whiskys of Suntory — Yamazaki

Yamazaki -The very first distillery established in Japan to produce whisky. This is where both of the Godfathers of whisky began their careers. Shinjiro Torii, "the nose," brought his dream of making Japanese Whisky to life, breaking ground on the distillery in 1923. His first master distiller studied whisky in Scotland in 1923. Yamazaki was established in 1929 on the foothills of Mt. Tenno. Yamazaki is famous for its ability to deftly use casks in maturation to make truly wonderful whiskies. The Yamazaki single malts are slightly floral but round and heavy, leaving a strong impression.

The Yamazaki Single Malt 18 Years Old 100th Anniversary Edition	215/oz.	

The Yamazaki 12 Years Old Single Malt is comprised of meticulously selected malt whiskies all cask-aged for a minimum of 18 years. This special limited-edition bottling was created in honor of Suntory Whisky's centenary and is made in Japan's first and oldest malt distillery which was founded in 1923. Aromas of peach, grapefruit and vanilla. Tastes of coconut, cranberry with a cinnamon finish.

The Whiskys of Suntory — Hakushu

Hibiki, meaning "resonance" was launched in 1989 to commemorate Suntory's 90th anniversary, and has ever since been embraced as the paragon of The Art of Japanese Whisky, the very product of Japanese nature and her people. "Kanzen" or complete, our Hibiki Whisky range is a harmonious blend of several malt and grain whiskies which are meticulously blended to create a full orchestra of flavors and aromas.

The Hakushu Peated Single Malt 18 Years Old 100th Anniversary Edition	215/oz.	

The Hakushu 18 Peated Malt is made up of carefully selected malt whiskies all aged for a minimum of 18 years in various casks, created in honor of Suntory Whisky's centenary. Refined and elegant, this centennial Hakushu Peated Malt brings smoke that is less strong, never dominant and in typical Japanese style, more complex and gentle. The result is a spicy, peppery welcome, a slow wave of smoke that deepens as it reveals its herbaceous notes and green fruity undertones.

The Whiskys of Suntory — Hibiki

The word Hibiki literally means "echo," but can relate to the emotion one gets when being inspired by something. A superb blended whisky with over 30 whiskeys used to add depth and complexity. The style of Hibiki is soft and sweet with deep, nuanced flavors.

The Whiskys of Nikka — Yoichi

Masataka Taketsuru was born into a Sake brewing family in Hiroshima and is the 1st distiller of Japanese whisky. He began his career as the Master distiller of Yamazaki distillery. He was the first Japanese apprentice of whisky in Scotland. He learned the craft of making great whisky in Scotland at Longmorn distillery in Speyside. Yoichi, the place chosen by Masataka, was close to the sea, surrounded by mountains on three sides and in many ways similar to Highland in Scotland. A cold climate with an appropriate humidity, crisp clean air and fresh water - everything necessary for his ideal whisky was available. The proximity to the sea is one of the distinctive features of Yoichi. The sea breeze gives a briny hint to the whisky during the maturation.

The Whiskys of Nikka — Miyagikyo

Masataka aimed to make his blend more complex by widening the variety of whiskies. In 1967 he was exploring the northern part of the main island to find another ideal site for his second distillery. He came across a beautiful foggy glen surrounded by mountains and at a junction of two clean rivers. Once he tried the water from one of the rivers, which is now the water source, he was so impressed and immediately decided to build a distillery there. The name of the river was Nikkawa river by coincidence.

The Whiskys of Venture Chichibu

It all started some three centuries ago when the first of Ichiro Akuto's forefathers began making alcoholic beverages in Saitama Prefecture. His Grandfather began making whisky in the mid 1940's with Hanyu Distillery, whose focus on malt whiskies took off with the Japanese economic boom of the 1980's. However, when the bubble burst in the 1990's, so too did the first Japanese Whisky boom, leading to Hanyu, like several other distillers, shuttering their doors. He saved the old inventory of Hanyu and released the playing card series. A slow start in the early 2000s now unicorn whisky, the stuff of legend. With the success of the playing cards Ichiro saw that the revival was imminent and in 2008 he built his current distillery in Chichibu. Chichibu distillery where Ichiro, a 21st century whisky maker embraces the heritage and heart of the Scotts balanced by the precision of the Japanese and the shokunin philosophy.

The Whiskeys of Buffalo Trace

Throughout the challenges of floods, fires, tornadoes and even Prohibition, the American family-owned Buffalo Trace Distillery has never compromised. A timeless dedication to respecting the past while fearlessly innovating for the future has served us well for more than two centuries. No matter the challenge, be it Mother Nature or man, the people of our Distillery have been part of the story that shaped America and the spirit industry as well. 1870 Colonel Edmund Haynes Taylor, Jr. purchased the Distillery and christened it "O. F. C." in reference to the belief that the finest whiskey was produced in old-fashioned wood-fired copper stills. 1878 The O.F.C. Distillery is purchased by George T. Stagg along with the adjacent livestock farm; Taylor continues to oversee operations. 1984 The Distillery introduces Blanton's, the world's first single-barrel bourbon.
